# HOUSE RULES

## **1. RESPECT OUR NEIGHBORS & OUR NEIGHBORHOOD**

We love Tribeca and the people who live here. Chances are, if they are not here, they are sleeping somewhere above you. Please keep your voices down and don't litter our neighborhood.

## **2. DON'T BE CREEPY**

Gentlemen, if a lady does not appreciate your conversation, she will let you know. If she is not comfortable doing so, or if you do not receive the message, we will let you know. It is highly recommended that you respect our say in this matter.

## **3. PLEASE MIND YOUR MANNERS**

The staff and your fellow patrons are only obligated to be as nice to you as you are to them. Let's all be nice and get along.

## **4. YOU ARE NOT JUST BUYING DRINK; YOU ARE LEASING REAL-ESTATE**

If you are only drinking water, please do not take a bar stool. If you are done drinking or eating, and if other guests would like the same experience you have enjoyed, we will respectfully offer you your tab.

## **5. DO NOT BE AFRAID TO ENGAGE YOUR NEIGHBOR**

We have seen countless business deals, dates, weddings, friendships, and engaging conversations at our bars. Our job is to facilitate this, which we will do as much as business allows. Feel free to participate. (Caveat:  See Rule #2)

## **6. IF YOU ARE PAYING BY CREDIT CARD**

Please, if you plan to stay for more than one round, start a tab with us. Processing cards takes valuable time that is better spent making cocktails for your fellow patrons.

## **7. WHEN YOU HAVE REACHED YOUR LIMIT**

Do the honorable thing and cut yourself off. This saves all of us the embarrassment of having to do it for you. You will thank us in the morning, and rest assured that we look forward to serving you another day.

## **8. "THIS ONE IS ON ME!"**

On occasion, we may feel compelled to offer you a drink on the house. This is a gift from us to you. Like any gift, we reserve this for special occasions. Also like any gift, your odds of receiving it rise exponentially if you don't ask for it.

## **9. FELLOW TRAVELERS**

If you are in the service industry, please introduce yourself.

## **10. PATIENCE, PLEASE**

When we are busy, please remember that everyone else would like to be served just as badly as you do. Rest assured that we know who has been waiting and for how long. Everyone will get their turn.

Thank you. The Management. **Ward III.**
